About

I am a Business Economics graduate and am currently looking for opportunities to apply my skills and knowledge. My background has armed me with the essential tools required to thrive in a range of business contexts, and I am enthusiastic about leveraging my expertise to add value to a dynamic team.

BRANDS WORKED WITH

BRAGGS CLOTHING LTD

Marks and Spencer

Experience

● Customer Assistant

Marks and Spencer | Aug 2022 - Aug 2023

- Ensured that the sales team are delivering great customer service by completing the service observations and giving priority to the customer service required on the department.
- Served customers confidently and positively, developing my interpersonal and communication skills, especially when managing tills and complying with till checks.
- Responding and dealing with questions, concerns, and complaints from customers, offering the best resolution to the situation and reporting to my manager

● Sales Executive

BRAGGS CLOTHING LTD | Jul 2019 - Jun 2022

- Worked as a part of a team of 5 and deal with customers under high pressure which allowed me to develop my skills of working under pressure. Especially when the shop is full during the summer period.
- Served customers confidently and positively, developing my interpersonal and communication skills.
- Managed many online orders through spreadsheets which honed my analytical skills.

Education & Training

2019 - 2023

● University of Surrey

Bachelor's degree,
