## Experience

### ● Copywriter, Creative & Content Strategist

Adventures In Content | Jul 2022 - Now

Adventures in Content is a creative digital agency specialising in copywriting, content strategy and creative direction, which was originally founded by me in 2006. AiC works across copywriting, editorial, content strategy, digital newsletters, thought leadership and customer success. Clients include: Anderson Group Apollo World Touring Cake Cheap-flights.com East of England Cultural Tourism Project Ford Europe Formula 1 F1 Rocks Global Cool Gumball 3000 ICF Next ITV Stop Climate Chaos / iCount Sony Universal Music VMLY&R For more information and examples of work, please visit [adventuresincontent.com](#).

### ● Marketing Communications Manager

Neat | Nov 2021 - Jul 2022

Norwegian tech company specialising in video collaboration. I worked across content strategy, copywriting, creative direction, thought leadership and customer success. Examples of work can be viewed at [adventuresincontent.co.uk](#).

### ● Copywriter, Creative and Content Strategist

Adventures In Content | Apr 2018 - Nov 2021

See above

### ● Senior Content Strategist and Copywriter

Spark44 | Oct 2015 - Apr 2018

Spark44 was the retained creative agency of Jaguar Land Rover. I worked within the agency's global planning team, providing strategic and creative thinking on all things content, while also providing copywriting services on numerous projects. Examples of work can be viewed at [adventuresincontent.co.uk](#).

### ● Digital Producer, Web Editor and Intermittent Consultant

F1 Rocks / Universal Music | Feb 2008 - Mar 2012

F1 Rocks was a series of large-scale international music events and TV properties, staged alongside Formula 1 races. The initiative was backed by Universal Music. I produced all editorial and video content for headline sponsor, LG, and provided UX guidance and project management for the build of two B2C websites. I also delivered all editorial and social content before, during and after events.
