Experience

● Editorial Intern

Mission Statement Magazine | Jan 2022 - Now

- Writing editorial pieces and proof reading them.
- Pitching ideas to the editor about current issues and topics. (Involving fashion, art and current culture).
- Sourcing images and media for written pieces.
- Organising my own interviews and photoshoots for articles.
- Handling budgets for the shoots and getting the most out of them.
- Contacting third-parties such as stylists and make-up artists.
- Copywriting experience.

● Studio Assistant

Park Royal Studios (Photography & Film) | Jan 2022 - Now

- Setting up lighting and rigs for high end clients and commercial shoots (likes of Harry Styles. Nick Knight and Christian Dior).
- Liaising with personnel on shoots.
- Knowledge and experience with electrics.
- Organising and doing admin in office, completing tasks and needs as and when they come.
- Knowledge with ARRI and Profoto lighting and equipment.
- Running for clients within the studios.
- Experience with film, photography and commercial clients within the studio environment.
- Ordering stock when needed for the studio.
- Handling invoices and booking tasks.
- Communicating and Liaising with clients via phone or email.
- Completing a busy kitchen service for the restaurant when extra staff was needed.
- Very good knowledge of industry grade cleaning and work shop equipment.
- Household and Carpenter skills.
- Invoicing and sending emails as well as admin tasks.

● Store Supervisor

Lush Cosmetics | Apr 2019 - Now

- Managing staff and sales assistances and ensuring their safety.
- Making sure tasks are met at the end of the day and confidently using my time management skills to plan out the day.
- Giving feedback and constructive criticism to other members of staff to develop their developmental.
- Visual merchandising of the store.
- Cashing handling and counting.
- Developing and using Click and Collect system for customers. Packing and sourcing the items.
- Completing complex and weekly deliveries and daily requests from other branches.
- Developing and doing the social media for our store and creating daily and weekly posts. Creating fresh ideas to increase engagement and customer involvement.
- Handling the shops Mail Chimp and Google emails.

● Photography Assistant

Fenella Met (Ecommerce Photography) | Sep 2018 - Dec 2018

- Setting up set for product images (lighting, rigs, productions and cameras).
- Editing and sorting final images.
- Made clients feel comfortable so I could achieve the best images.
- Understanding how to capture eCommerce photography.
