About

With a background in technology and customer service, I excel in engaging with clients and have developed strong skills suited for dynamic retail environments. Experienced in high-end luxury retail, I am adaptable and skilled in all aspects of store operations and client advising.

BRANDS WORKED WITH

- Clearlink Telecoms
- Kent Event Services

Experience

- Service Engineer**
Clearlink Telecoms | Jun 2022 - Jun 2023
I worked at Clearlink telecoms as a service engineer apprentice until the company was bought and I was made redundant. While working at Clearlink I learned valuable skills such as speaking to customers professionally, working side by side with network engineers and picking up skills and knowledge. I have completed 4 training modules which include Cloud Fundamentals, Networking and Mobile operations.
- Events Assistant**
Kent Event Services | Jul 2021 - Now
I work with an event company where I go to events and speak to people and being friendly to make sure they have the best experience possible
