● Assistant Caretaker

Dwelling Place Church | Jan 2020 - Aug 2021

My roles during church service was to assist other caretakers with children, which included: arranging activities, helping serve snacks and cleaning up after, however, this applied to toddlers and older children under the age of 12 and I then decided to move to the babies section and absolutely loved every second of it. During my time with the babies I had to take care of drop offs, meals, diaper changes and playtimes. We had a disabled toddler in our class because he wasn't able to move like other toddlers so we took care of him in the babies class.
